**SENATE ACT 25-19**

**“DESIGNING A NEW STUDENT SUCCESS CENTER” STUDENT IDEA SESSION AND SURVEY**

BE IT ENACTED BY THE UNDERGRADUATE STUDENT SENATE:

**SECTION I. PURPOSE**

This bill appropriates funding to host a student gathering to discuss design ideas for a new Student Success Center.

Sinclair Library serves as a 24/5 study space for ASUH constituents and all students, and continues to support our students by providing a place and means to study, tutor or receive tutoring, access some student academic services and more. UHM has continued efforts in supporting the maintenance and renovation of Sinclair Library. Recently, UHM Libraries has been working to transition all library collections that currently exist in Sinclair Library to Hamilton Library. This frees up space in Sinclair that students could use.

The University has envisioned transforming Sinclair Library to become a new Student Success Center - ultimately transitioning Sinclair Library to serve as a sole location for students to study, conduct academic work and the like. With the high demand and usage from our constituents of Sinclair Library, ASUH has been invited to brainstorm ideas of what students would like to see in the new Student Success Center, ranging from design ideas regarding functionality/versatility of the building space to furniture/technology, and more. Ideas produced will be used to advise the UH Administration on the designing of the Student Success Center.

An open student idea session/brainstorm will allow UHM students to share their input on one of the most used buildings by students on our campus. This event is projected to take place in late February/March.
