*President Teichman*

The ASUH Housing letters were sent out through campus mail to the UH housing residents, but were intercepted and withheld by the UH Housing Office before being distributed to the residents. President Teichman discussed with the Executive Committee about the possibility of pursuing legal action regarding the withholding of letters as it might be considered a federal offense. Senators were divided on whether or not legal action should be taken, but it was decided that an ASUH Committee on Censorship, chaired by Senator Matthew Gerhardt, be created.

It was also decided that an Executive Committee Meeting be held on December 13<sup>th</sup> to decide on the validity of a formal complaint raised against President Teichman. The complaint must first be reviewed by the Internal Affairs Committee at a prior date.
