ASUH

Associated Students of the University of Hawai'i

- VP Ziadeh: Raises the issue of current prices in the market already being exorbitant (e.g. \$11 for a plain loaf of bread) for students, so a 4% - 7% increase could be more impactful than it seems.
- Pres. Watson: Concern about the level of separation/agency Sodexo has operating in Hawai'i apart from the mainland company.
- Advisor Bonnyjean:
- Pres. Watson: Raises the idea of shifting back to the 4% increase proposed during the last meal plan increase proposal rather than the new 7% increase as an alternative.
