Discussion to be limited to 15 minutes

Discussion: Speech from Senator Byrd from West Virginia presented. Resolution is with merit. Opposed to Sres 02-04 because sometimes there are laws made to protect freedoms. It is a sensitive issue that presses personal beliefs and feelings. We are representing ASUH and all undergraduate students, can't say for certain that vast majority of students would share the same point of view.

Time expired

MOTION To extend discussion 5 minutes

Motion approved viva voce

Discussion: We shouldn't just discuss beliefs, but the actual resolution. Last year the senate honored House of Representative Patsy Mink and she spoke against war.

MOTION To amend the title of the resolution to read "Strongly Opposed to Imperialism, Pre-Emptive War and Repression"

SB 07-04

Tabled in finance committee

MOTION To discharge SB 07-04 from finance

Discussion: Why is the senate in such a rush? If the bill is discharged does that mean it doesn't have to go to finance? Yes. If the bill is further delayed, Homecoming will be "crappy." At the finance meeting money did not seem to be factor. By putting off for two more weeks, the process will be further delayed and that makes it hard for committee to take care of things.

MOTION To call the question
