We had a meeting this Thursday at the Art building. We probably won't

be able to do the documentary as last year. It has been really fun and I like to encourage each and everyone of you to come back even if you are not thinking about it right now. This senate is actually one of the more agreeable ones. Please take care of the students and take care of the rules.

Undergraduate Academic Affairs

Danielle Rabinovitch We have to get the Partial Tuition Award completed before the next meeting on Thursday or they might not be done at all. If you are a part of this committee, please be there. If it doesn't get done, it will reflect poorly on us.
