SENATE ACT 15-18

FUNDING FOR ACE BASH 2017

BE IT ENACTED BY THE UNDERGRADUATE STUDENT SENATE:

SECTION I: PURPOSE

First-Year Programs would like to host an end of the semester celebration for all freshmen enrolled in our ACE learning communities. ACE learning communities offer a combination of three general education courses and a small group, 1-credit integrating seminar (CAS 110: Access to the College Community). Courses are grouped to provide freshmen with an introduction to various academic perspectives while fulfilling graduation requirements. CAS 110 is led by an undergraduate peer mentor who supports freshmen cohorts in their new learning environment.

First-Year Programs has hosted ACE Bash since 2007 as a way to recognize students' success and progress in higher education, as well as promote student involvement and interaction within UH Mānoa campus community. This Fall 2017 semester, we've increased our enrollment by 18%. Over 500 freshmen have enrolled in the ACE learning communities. Additionally, we have increased our number of ACE peer mentors to 40, and offer 50 different learning communities. We hope that ACE Bash provides a fun and social environment where ACE students can interact with the many faculty, peer mentors, and professional staff that have contributed to the overall success of the ACE learning communities.

This event will take place November 2, 2017 at the Campus Center Ballroom from 4:00 PM to 6:00 PM. Food, entertainment, games, and prizes will be provided for all participants.
