I went to a Manoa Executive meeting earlier this month and it was Chancellor Apple's first time running this meeting. He talked about his initiatives and wants to be a walking around chancellor and listen to the students. Frankie, Anna, and I went to a meeting last Wednesday, which had members from the Kaleo, Campus Center Board, athletics, and other groups were there to talk about their initiatives to get more people at different events. I can send you what we talked about if any of you are interested.  
Centennial Update: we will be meeting early August, let me know if you would like to join the adhoc committee.

As you know, we got new chairs in the office. They can be easily stained so please be careful when you are eating in the office so that you don't leave oil marks on the chairs. The office is your place so please keep it orderly and clean.

**Standing Committees**

**Campus Life**

*Chairperson Acosta*

President Mizusawa sent me an email about the Campus Center community service dates. Cleaning meets at HEM courtyard. There is a sign up sheet coming around so please sign up if you are available to help out.

*Operations Manager  
Rouel Velasco*

This is a great event and even serves you lunch. It's a great chance to get involved and meet new people.

*President Mizusawa*

It's going to be a fun activity to meet new people.

**Elections**

*SAL Acosta*

No report.

**External Affairs**

*President Mizusawa*

NSO tabling will be starting soon and there will be a box for you in the ASUH office for you to pick up and bring with you as giveaways at NSO. Please be sure to pick up the box. There has been a change in the dates, August 8<sup>th</sup> is cancelled and the new dates are August 6<sup>th</sup> and 7<sup>th</sup>. So if you signed up for the 8<sup>th</sup> and are able to go on the 6<sup>th</sup> instead, let me know, if not, can someone please sign up for that day? Also, July 30<sup>th</sup> still needs one more person to sign up.

**Finance**

*Chairperson Kwon*

Looking over the RIO application and will be working on that. After we are done with that, we will be working with President Mizusawa and then we should have things ready.

**Internal affairs**

*Senator Stump*

We had a meeting last Wednesday to discuss student committees; also we are redoing the applications for the Fall.

*Operations Manager*  
*Rouel Velasco* Please look over the brochures because the information is old, as long as the information is updated, we have something to hand out for NSO that's updated.

**Investments and Long Range Planning**

*Chairperson Lee* Emailed Merrill Lynch for meeting on either the 24<sup>th</sup> or the 26<sup>th</sup> of July. When I find out, I'll send out a confirmation email to my committee.

**Student Affairs**

*Chairperson Koethe* We are going to postpone the student athletics fees resolution until our next general meeting in case any new information from the Stevie Wonder concert will come out. I emailed the committee for possible dates for next our next meeting. We had an athletic meeting on how to get more people to come to the events. We came up with ideas like increasing connections with students, pep rallies, talk stories section, have players come up to campus and talk to students to get them more involved. We plan on meeting again in a month to discuss more.

**Undergraduate Academic Affairs**

*Chairperson Luna* Just a reminder, we have a meeting tomorrow at 12PM in HEM211. We will discuss the newly revised application for awards.

**SPECIAL ORDERS**

**NEW BUSINESS**

**UNFINISHED BUSINESS**

**OPEN FORUM**

*President Mizusawa* According to an article I read, the money that was involved with the Stevie Wonder concert is in the hands of the real Stevie Wonder agent. Does that mean that there will be a concert? If the money would be lost through the student athletic fees, that would be an issue but we would want to see to be sure.

**CLOSING**

**Adjournment**

*Senator Belisario*  
*Senator Stump*

**Motion to adjourn.**  
**Second.**  
**Meeting was adjourned at 6:22PM.**
