- Secretary Tagaban* Do meetings count as hours?

- c. Senate Bill 02-16

*Senator Shon* For anyone who have conversations with your constituents or doing any legislative work it is good to have business cards. This provides everyone in the senate to contact information

*Senator Candelario* Will it be personalized?

*Senator Shon* Yes it will be

*SAL Mitsui* I just wanted to go over the recommendations that finance and external committee had, we believe that having 100 business cards for every single member of senate a little too much. I remember during my time, I got a pack of 100 business cards in the span of couple years. I would just scratch off the 101<sup>st</sup> and write 102<sup>nd</sup> I realize I'm senator-at-large now so I can't use it anymore. Maybe reduce the amount. Instead of having 38 packs provide an additional 12

packs for people who want to have extra packs of business cards. But, I believe we have to change the amount for business cards and if we have a price quote for it?

*Senator Shon* I would like to keep the amount. You can't say that not everyone is not going to want the 100 business cards, people should have that option. Rather then cut it from the budget.

*SAL Mitsui* We do provide that leeway.

*Senator Shon* It would not be fair other people who would want more business cards.

*Senator Sevilla* I have to agree with Senator Mitsui that 100 are a little too much.

*Senator Callihan* I think the 12 additional packs is what we came up with for the execs. We suggested to have different numbers of packs for execs and chairs because, they will be giving out more.

*Senator Shon* Between finance and external there are different number suggestions. We are going to have to decide as senate on the amount.

*Treasurer Takara* I just wanted to bring to you administrative account budget is 333212 to we allotted \$200 for business cards. I just wanted you guys to take that in to account.

*Senator Kim* Regarding the amount from each committee, it is practically the same but worded differently.

*Treasurer Takara* Is currently working on an amendment based on what Advisor Manini just said.

*SAL Mitsui* So if we do go with the recommendations what would the price be?

*Senator Shon* I would have to get back to you.

*Senator Simeroth* It said the total amount of the cards is going to drop a third. Will it affect our budget?

*Senator Shon* Tonight is my last night, so if anyone would like to co-sponsor this bill?

*President Zakimi* When senator shon resigns, this discussion is leading towards tabling this bill. Is anyone interested in wanting to co-sponsor this bill and bringing it back into the senate again?

*Senator Shon* Basically, if no one takes this bill up then there is no business cards.

*Senator Caramat* Motion to put the bill on the floor

*Senator Samiano* Second

*Senator Hinshaw* I can reintroduce the bill again.

*Senator Mitsui* I think we can appropriate corrections right now and change the amount from \$583 to \$250.

*Advisor Manini* You all did do not need another bill to use the \$250 that is already in your budget. So if that is what you want to do. I think you should just table this and not vote on it.

*President Zakimi* The discussion right now is to table the bill and reintroduce it later on or kill the bill.

*SAL Mitsui* Do we have to have another introducing member before we table this bill?

*President Zakimi* Yes to be safe

*Senator Garma* So if we do this now, what is the consequences voting on it later?

*SAL Mitsui* Do not vote on the measure yet because, we still need a introducing member for this bill

*Senator Candelario* Motion to add Senator Hinshaw as an introducing member

*SAL Mitsui* Second  
Motion carries.

*Senator Lao* Motion to table Senate Bill 02-16

*Senator Shon* We made changes according to the SCR, its change from \$1000 to \$500. We are getting the banners in a group of 4.

*Advisor Manini* Is it \$125 each?

*Senator Shon* We didn't have each, so we had to buy it in the group 4. This is includes to pay for the taxes for the banner.

*SAL Dela Cruz* How big are the banners?

*Senator Shon* Same size of our other banners and we got 8 banners.

*Senator Lao* I just wanted to check the number on the senate account.

*SAL Mitsui* Second  
Motion carries

*Senator Simeroth* Do we need to strike the last 2 invoices?

*Senator Shon* Originally when we wrote this bill we had four invoices. But, when it went to committee it changed. The amount has changed, the elections made the corrections on the SCR.

*Advisor Sonoda-Pale* I think the during the recommendation at meeting we said that it should be IT services.

*Senator Shon* Basically we still need to pay for the ITS services for elections. Do you need a break down of what services from last elections?

*Advisor Manini* This is to run your elections and surveys. Its not complicated to pay for. So what was not done in the SCR, we did not insert "ITS Services." Strike the invoice numbers and add ITS Services.

*Senator Candelario* Motion to strike all invoices and there numbers. Add in to ITS invoices just once.

*President Zakimi* So we accepted SCR 14-16 last, we would go with that amount of \$100.

*Senator Shon* Why the service fee amount change?

*Senator Baxa* We just wanted to allocate more money. We decided to rent the courtyard and ballroom. We are going to use the courtyard to advertise for the event on that day. The ballroom is already free so we just needed to allocate money for the courtyard.

*SAL Dela Cruz* I'm so confused. The finance meeting they said \$100 and then UAA we increased it to \$200
