**President**

*President Itsuno*

Upcoming committee goals are as follows: External Affairs will need to work on packets and forms and Undergraduate Affairs will need to work on advertising and the calendar.

The CCB interview will be this Tuesday, June 29<sup>th</sup> at 1:30pm in the ballroom. Is anyone available at this time?

*Senator Linden*

I can make it.

*President Itsuno*

The office has made some business cards. I have an example for everyone to look at.

*Senator Linden*

The graphics are really bad on the seal. It's very blurry.

*President Itsuno*

The printer is having issues right now, but we'll look into it. If you want business cards, just go to the office and specify what you want on them.

*President Itsuno*

Is anyone interested in writing Senate Resolutions to honor our former Senators Kiara Sakamoto and Henry Cheng, for the UPASS, and Megan Chock for the audit?

*Senator at Large Millett*

I will for Sakamoto and Henry Cheng.

*Senator Phillips*

I'll write one for Megan Chock.

*President Itsuno*

I would like ASUH to work to help choose Legislative Priorities. As for the Athletics Fee Letter from the Chancellor, The student group section was changed; however the 5-8% additional 3% depends on if the committee decides to have a concert.

**Vice President**

*Vice President Koethe*

I am almost finished with the binders and hope to begin training very soon. As for the Mānoa Move In, we'll get more information, as it gets closer.

We are definitely going to have an ASUH Retreat this year, after elections; please email me with any ideas you may have on this.

I am also looking at a Leadership conference on the mainland, Washington DC, this fall as a way for people to get more involved.

**Treasurer**

*Interim Treasurer Tabalno*

The 97<sup>th</sup> Senate's stipends from February have been submitted and the 98<sup>th</sup> Senate's will be by the end of the week. I would also like to remind everyone to turn in his or her rate sheets.

**Secretary**

*Secretary Pitts*

No report.

**Advisor**

*Advisor Manini*

There are issues in need of revision on the RIO's. We're sending out the draft within a week for input for the final draft to send to the Chancellor for approval.

**Standing Committees**

**Campus Life**

*Chairperson Phillips*

We need to see Rouel for the upcoming meeting; I will also email RIO's to see if they're interested.

Right now, we're worried about the T-Shirt design. I will make a list of tentative stipulations for the competition and get in touch with Ka Leo for an ad for the first week of school. We also need to work out a system for voting on the design.

**Elections**

*Chairperson Fallon*

No report. Not present.

**External Affairs**

*Chairperson Millett*

We had a meeting a while ago. We will continue to try and work on the billboard until chairperson comes back.

*President Itsuno*

We added "Your Student Government" underneath the ASUH seal so that students can recognize that the ASUH is the Undergraduate Student Government.

**Discussion.**

We will put this issue on the upcoming Executive Agenda for further discussion.

**Finance and Investments**

*Chairperson Linden*

No report.
