SECTION IV. PROVISIONS

RIOs must be verified with the Student Life and Development Office before they are able to claim their funds.

RIOs receiving funding must submit all paperwork for Fall 2018 events by December 5, 2018. Failure to do so may result in the event not being funded and future funding being denied.

Any unexpended or unencumbered balance of funds appropriated from this act as of the close of business on December 5, 2018 shall lapse into the appropriate accounts.

All RIOs are required to use their funding for the benefit of the undergraduates at the University of Hawai'i at Mānoa.

All funding for the line items for "car rental" and "lodging" will be for reimbursement only.

All funding for the line items for "food and food supplies" shall not go towards alcoholic beverages.

All prizes must be under \$25.00 and cannot be monetary or gift cards.

SECTION V. The ASUH shall be recognized as partially funding this event on any materials or advertisements after passage of this bill. If the RIO does not recognize the ASUH as partially funding the event on any materials or advertisements after passage of this bill, it will result in the denial of funding and the possible elimination of consideration for future funding. Partial funding of said event shall not constitute co-sponsorship by the ASUH. All recipients of the ASUH funding shall file a detailed itemized report within sixty (60) days after final payment has been made.

SECTION VI. The Treasurer is authorized to draw on account #3325242.
