b) Leadership Kick-Off Reflection

President Li Thank you to those of you who attended and engaged in discussion, though I wish we had a higher attendance on the last day of the leadership kick-off because we were going to plan out the initiatives we wanted to work on this year. Because of the low attendance, we decided to not plan out our initiatives that day. We will be holding another workshop in the future for the purposes of planning. Kudos to all of the Senators, especially the new Senate members, who attended all five days of the leadership kickoff.

c) Special General Senate Meeting, *Wednesday, August 28th @ 4:00 pm CC 310*

The requirement is that for every \$100 dollars, 2 hours of community service. One problem is that they are allowed to report their own hours, so there is little accountability. We can increase accountability by allowing RIOs to volunteer at verifiable organizations such as the Food Vault.

International students cannot apply for scholarships because they don't have the FAFSA,

so the committee is thinking about creating an international student scholarship. I have reached out to the Director of Financial Aid and Office of General Counsel regarding this.

Senator Rafid
Chairperson Juliano

Can't we just get rid of the FAFSA requirement since that is the problem?
Yes, but we would still need a way of determining financial need for the scoring of the High Financial Need scholarship. If we took it out, we would have to adjust the formula.
You do have that flexibility to come up with something else.

READING AND APPROVAL OF THE MEASURE

Senator Armstrong-Patterson Move to accept *Senate Resolution 03-20 Condemning the Lack of Student Consultation with the TIM/Shidler Merger Process*.

SAL Kim Second.

President Li Please open the third link to access the newly updated Senate Bill, now that the SCR has been approved. Every year, the first Senate Bill is also the ASUH Budget, which sets up everything for the year. How we use our money is outlined here.

President Li passes the gavel to Vice President Chun.

President Li This reso regards the concerns that students have about the lack of student consultation regarding this merger. They have a lot of logistical questions without a real forum for them to be answered. The reso also calls on the UH administration to better consult with ASUH in the future. It also condemns student censorship. It also calls for the merger to be delayed until proper consultation is had.

SAL Manabe Who is the donor mentioned in the resolution?
President Li Though technically anonymous, it is most likely Jay Shidler.

Advisor Manini The WHEREAS regarding student censorship should refer to both executive personnel and faculty, to accurately state what was expressed by constituents.

SAL Manabe Move to amend the WHEREAS statement regarding student censorship to refer to "an executive and faculty"

Senator Transfiguration Second.
Motion carries.

SAL Manabe Are we including language about how the \$2 million donation goes only to faculty research and does not necessarily support students.

President Li It was clear at the Manoa Faculty Senate meeting that I attended that the merger is happening when it is because of the September 1 deadline given to UH because of the donation.

- SAL Oshiro*
President Li Can we say that the benefit of the donation to students is unclear?
Executives have told me that the faculty research donation has been vital in ensuring that they support the merger. TIM currently feels starved of money, so this is an attractive offer. But it is the student who will have to deal with the consequences in the end.
- Senator Rafid*
President Li Are we condemning the merger or the lack of consultation with students?
We have no stance on the merger. Our stance is condemning the lack of consultation. They were willing to move the merger date to secure the donation but not to get more student consultation. That is the issue.
- iSecretary Dela Cruz* Move to replace instances of “Jan Noe Sullivan” with “Benjamin Kudo.” Strike instance of “UHM Interim Chancellor.” Strike instance of “Interim Vice Chancellor for Research” and replace with “Provost.” Strike instance of “Interim Dean of Students and Student Housing Director” and replace with “Interim Shidler and TIM Dean Vance Roley and Interim Vice Chancellor for Academic Affairs Laura Lyons”
- SAL Manabe* Second.
Motion carries.
- SAL Manabe*
iSecretary Dela Cruz Move to add “Jay Shidler” to the list of persons receiving this resolution.
Second.
- Senator Rafid*
SAL Manabe Please explain your reasoning.
Even if he is not the anonymous donor, the college is named after him so his name is on the line.
Motion carries.
- Senator Rafid*
SAL Oshiro Move to add SAL Oshiro’s signature to the resolution.
Second.
Motion carries.
