## VI. OPEN FORUM

### A. Stadium Stock Fund Portfolio Presentation Announcement

*Pres Watson*

We are getting our quarterly report from Graystone about our Stadium Stock Portfolio. It is where we get most of our money. If you look at the top of the Senate Bill, we get all our money from two places, ASUH fees, every undergraduate student pays \$5, and our Stadium Stock Fund. That fund was created by previous Senates from concessions, donations, etc. and has been put into certain accounts that have been managed over many years. We are able to pull 4.25% of that. Next meeting, we are going to be given a presentation from Graystone. We are going to be taking notes according to President's Message #02, to ensure that we're compliant with the office of internal audit. Then, sending those out to Graystone to get feedback.

### B. Request for a Secretary and Treasurer

*Pres Watson*

Right now, we need a Secretary and Treasurer. We will most likely be waiting for our special elections coming this fall. I will get the schedule to the Elections committee so that you can start working on that. We need a Secretary. A Secretary is going to do our minutes, which codifies these meetings, as well as memos.

### C. Availability for In-Person Meetings during the School Year (GSM)

*Pres Watson*

On our feedback forms, one of the things that came back was your availability for meetings during the school year. I would like to have most of our GSMs in person. That'll be once every two weeks (bi-weekly). I can send a 'Let-Us-Meet', if that would be helpful. Are there any times out of the week you would be available to have these (in-person) GSMs? (*Senate agrees with Mondays*) I would entirely be fine with providing help if transportation was needed.

*Advisor Bonny*

I did drop two documents to do with the Graystone presentation next week. One is the quarterly report for the period ending June 30th, 2025, which is the fourth quarter of the last fiscal year. Also, another supplementary document that Dustin sent us. Please download those documents and keep them. If you have any questions, it would be good to bring them to the meeting.

**VII. CLOSING**

A. Adjournment

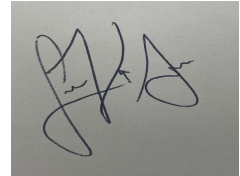

**Motion:** Sen Pale motioned to adjourn the meeting.

**Seconds:** SAL Sugui seconded.

**Vote was unanimous; Motion carries.**

*General Senate Meeting #2 was adjourned at 6:25pm.*
