(a) [PM #3: Relating to the Establishment of a TIM/Shidler Merger Ad-Hoc Committee](#)

iSecretary Dela Cruz

I move to accept *President's Message #3 Relating to the Establishment of a TIM/Shidler Merger Ad-Hoc Committee*.

SAL Oshiro

Second.

President Li

Shidler will be absorbing the School of TIM. It was supposed to go into effect yesterday, but it's been on hold. Students of TIM had concerns that they were not informed about this merger. They have questions about business classes, course requirements changing, the use of Business or TIM resources, etc. We are forming this ad-hoc committee to gauge what happened, why was there no student consultation, and what we can push to get student consultation. I will serve as Chair for this ad-hoc committee. If you're interested in this, please let me know, we can add your name to this PM right now.

President Li

Provost Michael Bruno, who is in charge of the merger says that this was delayed due to issues within the Manoa Faculty Senate. The interim Dean said they had a student forum, but the students of TIM said they had never heard of such a thing. I heard there was a petition for this. Do they know about this?

Senator Juliano

President Li

I am in contact with Pauline Yang, the person in charge of this. I will let her know about this ad-hoc committee so that she can be involved.

Vote was unanimously in favor; Motion carries.

President's Message #3 was approved.

(b) [PM #4: Relating to the Establishment of a Student Success Center Ad-Hoc Committee](#)

Senator Balico

Move to accept *President's Message #4 Relating to the Establishment of a Student Success Center Ad-hoc Committee*.

Senator Juliano

Second.

President Li

Sinclair Library is going to be renovated into a Student Success Center. They plan to have things like counseling services, student services, a food court area, a hub for studying. They realized we don't need two libraries on campus. The Steering Committee has student delegates. Myself and Interim Secretary Dela Cruz are on this committee. But we want the Senate to talk about this and make decisions. The last time this was renovated was 50 years ago, so this is a big deal. If you want to help make a mark please let me know so that we can add you onto the committee.

SAL Oshiro

Senator Armstrong-Patterson

Move to add Senator Juliano and Senator Bowersmith to President's Message #4.

Second.

Vote was unanimously in favor; Motion carries.

Vote was unanimously in favor; Motion carries.

President's Message #4 was approved.

(c) [PM #5: Relating to the Establishment of an Athletics Fee Survey Ad-Hoc Committee](#)

Vice President Chun

Move to accept *President's Message #5 Relating to the Establishment of an Athletics Fee Survey Ad-hoc Committee*.

Senator Juliano

Second.

President Li

This is regarding the past Student Athletics Fee Survey. They are looking to increase the fee amount. Every UHM student pays into this fee. Last semester, they sent out a survey to gauge student opinion on whether or not students support and athletics fee increase. We had issues with the survey, such as how they asked an open-ended

question on why students should support the fee. Any proposals that go to the BOR should have adequate student representation. We're gonna have our own data from our own survey to share with the Campus Fee Advisory Committee. Senator Salameh will be leading this committee.

Senator Bowersmith
iSecretary Dela Cruz

What exactly does the athletics fee go into?
The Athletics fee does not go into the Warrior Recreation Center, or what students refer to as "the gym." It goes into access to all UHM Athletic Events, Student Recreation Services with athletics and their facilities like the Tennis Courts, Klum gym, etc. as well as other promotional items and giveaways that go to students.

President Li

Please let me know if you would like to join this committee.

Vote was unanimously in favor; Motion carries.
President's Message #5 was approved.
