**FUNDING FOR THE STUDENT SUCCESS CENTER COMPUTERS**

**BE IT ENACTED BY THE UNDERGRADUATE STUDENT SENATE:**

**SECTION I. PURPOSE**

The purpose of this bill is to fund the Student Success Center (SSC). SSC is an office under the Office of Undergraduate Education whose purpose is to “bring together a number of resources to enhance student engagement, learning, and achievement. It is a place where students can work independently, as well as with tutors, mentors, academic advisors, librarians, faculty, and staff to meet their educational goals. SSC provides front desk concierge, room reservations, and exam proctoring services for UHM students, faculty, and staff at Sinclair Library.

This bill is to appropriate money to fund computers and monitors for SSC’s exam proctoring center. SSC offers exam proctoring for UH distance-learning courses. This service is free of charge and increasingly utilized. In academic year 2015-2016, 1,076 users utilized the computers. Last academic year, 2017-2018, the number of users increased to 1,437.
